

## Product Compliance Statement

REACH REGULATION 1907/2006 / EC

EIZO Technologies GmbH hereby declares that the products manufactured by it do not contain substances of very high concern (SVHC) according to the candidate list published by the European Chemicals Agency (ECHA) (REACH Annex XIV) pursuant to Art. 59 (1) of Regulation (EC) No 1907/2006 (REACH).

As a manufacturer of electronic components and products, EIZO Technologies GmbH is a "downstream user", by the definition of REACH, and is fundamentally not subject to the obligation to register or to compile safety data sheets. However, the information requirements under Title IV Supply Chain Information and Title V Downstream users under REACH are met.

The current list of candidates can be viewed on the ECHA website.

In the interests of our company and to ensure a high level of product safety for our customers, we are in close contact with our suppliers.

EIZO Technologies GmbH will inform its customers unsolicited as soon as information is available that listed substances are above the concentration specified in REACH (0.1% by mass) contained in the delivered products.
